Catalog Navigation Features

Welcome to the enhanced and expanded Cooper Crouse-Hinds catalog. This catalog contains several features designed to help you easily navigate the catalog to find the right products and information fast.

Catalog Organization / Page Layout Guide - For detailed information on the overall organization of the catalog and individual page layout, please refer to pages G62 and G63.

Fold Out Tabs - We've increased the number of easy-to-use tabs, allowing you to quickly get to the product lines you use most. Refer to the back of each tab for a list of new products in the catalog.

Product Index by Catalog Number - Looking for a specific Cooper Crouse-Hinds catalog number? Refer to the Catalog Number Index starting on page G5.

Product Index by Description and/or Trade Name - Starting on page G2, refer to this index when looking for a type of product or a Cooper Crouse-Hinds brand name.

Product Line Table of Contents - Know which product line you want, but don't know where to go from there? The first page after each fold-out-tab contains an overview of the type of products found within each section of the product line.

Section-Specific Table of Contents - Located on the first page of each product section, they allow you to quickly locate the products within each section.

New Products Identification - Look for this logo at the top of the page to quickly find the products that are new to this catalog.

Lightning Service™ Delivery Service - Looking for job specific products to meet tight deadlines? Then specify Lightning Service. All products available with Lightning Service delivery will be marked with a checkmark. Look for pages with the Lightning Service Logo located at the top of the page. See page G77 for complete details about this delivery option.

The product information published in our catalogs and literature is not guaranteed. It has been compiled with care and is sufficiently accurate for most purposes. It is subject to change without notice. Occasionally, it may be necessary to modify the materials, finishes, or other components of the product. These changes will in no way reduce the performance or function for which the product is intended.

All statements, technical information and recommendations contained herein are based on information and tests we believe to be reliable. The accuracy or completeness thereof are not guaranteed. In accordance with Cooper Crouse-Hinds' *Terms and Conditions of Sale*, and since conditions of use are outside our control, the purchaser should determine the suitability of the product for his/her intended use and assumes all risk and liability whatsoever in connection therewith.

All sales of Cooper Crouse-Hinds products are specifically subject to the Terms and Conditions of Sale as shown on Cooper Crouse-Hinds distributor or trade sheets.

Measurements: All units of measurement shown in this catalog are in "inches" and "pounds" unless otherwise indicated. Dimensions are approximate and should not be used for construction purposes.
